

Tailgating Guidelines and FAQs

March 20-24, 2019

May I bring my own tent?

All tailgate spaces come with a complimentary 10'x10' tent. As a safety precaution private tents, canopies, tarps and large umbrellas of any kind are not permitted.

What is the typical attire worn?

The Carolina International encourages all participants to dress as they feel comfortable. This is a day in the country to be enjoyed by all, so while you will see outfits of all types, we suggest you do wear sensible shoes due to the turf and terrain.

May I bring a golf cart, gator, or other similar vehicle?

Unfortunately we cannot allow these types of vehicles due to safety protocol.

May I bring a grill?

Gas grills are permitted, however charcoal or open flame grills are not allowed. Fire extinguishers are required for all tailgate spaces with grills per the Hoke County Fire Marshalls Office.

Will I be refunded in the case of inclement weather?

The event runs rain or shine. Unfortunately, we are unable to make any refunds.

How large is a reserved parking space?

Spaces are approximately 15' wide by 20' deep. Please center your vehicle in your space. Nothing larger than an SUV will be allowed in the reserved parking area. No panel trucks or large passenger vans will be allowed.

How many people will fit comfortably in each reserved tailgate space?

You may bring as many people to your tailgate space as you like, so long as you are not encroaching into your neighbors tailgate space.

How many vehicles are permitted in each reserved tailgate space?

You may bring one vehicle into your reserved tailgate space. Any guests not coming in that vehicle may park in the General Admission parking lot. There is no fee for General Admission or General Admission parking.

May I use a trailer to bring all of my items into my tailgate space?

Yes, trailers will be permitted from 9:30 – 10:00 am for unloading. All trailers must be parked in the general admission lot for the duration of the day.

Please call Abby Schlicht at the Carolina Horse Park Office for additional information 910-875-2074
